

CAMPING INFORMATION

**New Dates July 31, Aug. 1, 2, 2026 & Location
8770 Day Ave, Navarre, Ohio 44662**

We welcome everyone to camp at our show.

Welcome to our new show grounds!

Because this is our first show,
we are asking everyone to be patient with us.
We will need added information from everyone
who will be camping this year.

Please note--camping is primitive!

**CAMPERS/TENTS CAN NOT BE BROUGHT IN UNTIL THE
WEDNESDAY BEFORE THE SHOW**

- First of all, we ask that everyone pre-register & pay for camping.
- We will need to know if you are bringing a camper.
 - If so, does it have any slide outs that you will be using.
We need this information so that we can size the lots accordingly.
- **Dogs will only be allowed at the campsites but must be on a leash at all times.**
 - As you know, not everyone cleans up after their dogs and no one wants to step in that!!
- Only one vehicle will be allowed at each camp site--no trailers.
- Generators will be allowed.
- If you are in the gas engine area, the layout may be a little different to accommodate everyone.

Campers are \$30 for the weekend
Tents are \$15 for the weekend

**Because of the cost of the camping permit required by the Stark
County Health Department, TVPPA is asking everyone please pay
the camping fee to help us with this expense.**
